1. Memberships: Memberships into NE BASSIN is \$65 per person. All anglers 16 years of age or younger before their first NE BASSIN event shall be considered a "Youth" and receive a membership for \$30. All NE BASSIN fishing events are open to all boat makes, models and motor sizes. Anglers fishing the Elite Series of B.A.S.S or the FLW Tour Events as a boater, during the 2023 season are not eligible to participate in any NE BASSIN Events. The Tournament director and other tournament officials are permitted to fish all of his or her NE BASSIN division including the regional.

2. NE BASSIN Tournament Fishing Circuit: All entries must be paid in full 5 days before any NE BASSIN Event. Entry fee may be refunded only if the Director is notified no later than 48 hours before the NE BASSIN Tournament. Boat numbers will be picked the morning of the event and will be handed out following our am meeting. NE BASSIN is limited to the first 15-30 teams depending on the state, division and permit.

3. Scoring: Each tournament will have a 100-point scoring system. Sample Scoring 1st place will get your team 100 points, 2nd place team 99 points, 3rd place team 98 and so on. All other teams that didn't weigh in any fish will receive 5 points under last place for participating in the event. The team that has the highest final point total in that division will determine the NE BASSIN Division Champions. No Drops are given. 380 points are required to qualify for the NE BASSIN 2-Day regional championship event. A team paying for an event that doesn't fish will receive 5 pts less than last place pts. A team paying for an event that doesn't fish will receive 10 pts less than the last place for that event.

4. Registration: One member of each team is required to be present at the Pre-Tournament Meetings. Failure to appear at the Pre-Tournament Meeting will result in a disqualification unless the director was contacted before hand and made arrangements that were fair.

5. Teams that qualify for the regional will need to be a member and in good standing for the following year in order to fish that regional event.

6. Weather Delays and Cancellation: In the event of extreme weather conditions such as Tornados, Tornado Warnings or Lightning, the tournament director along with the officials will monitor the path of the storms and their length, until it has been cleared by these three entities this tournament will be put on hold until warnings expire or the storms have passed, then and only then will we proceed with this tournament. In the event that the storms or warnings have not passed or expired prior to 9 am the director and staff will make the decision to cancel that day of fishing. Should the tournament be delayed due to weather and we decide to launch, the check in times will stand as posted.

7. Take Off: NE BASSIN events will all start between 6:00 am and 7:30am (Eastern Time) depending on the event. Boat take off numbers will be picked the morning of the event.

8. Check-IN: Check-in will be done by 1 flight. There will be a deduction of 1 lb. per minute of your total weight for every minute late to Check-in. Teams more than 10 minutes late to Check-in will not be permitted to weigh-in that day's catch. The number paddle you were given at the start of the event must be turned in prior to a team weighing in their fish. No paddle, no weigh in and no more events until the paddle is replaced. If a team pays and weighs in, a 1 lb deduction will be deducted from that team's total weight.

9. Limits: This is a five (5) fish limit per team/angler. Anyone bringing in more than five (5) fish will have their sack culled to the five (5) fish limit starting with the big fish first.
