- * Memberships per year: \$65.00 per angler 16 years of age or older per year, \$30 for youth and HS Series only.
- * You are allowed to mix and match events from either division or state, just be aware that points received in crossing over states or divisions will only help with points to qualify for the regional event. Doing this without fishing all events in a given division will not allow enough points to win that division or come into the top 1-5 boats to possibly get a FREE regional event paid for.
- * We are currently looking into where to have our 1 day Kayak Regional Championship and our 1 day 15ft/kayak team Regional Championship Event for 2022. Check the website for updated info.

* Please check our website at www.nebassin.com for the most updated and recent dates that you
wish to fish for the 2022 NE BASSIN season. Paying for events is on a 1st come 1st serve basis.
Please write down the state, the date(s) with names of the body of water that you wish to
fish for the director of each state to reserve your spot.
